MESSAGE FROM THE SELECTMEN

Dear Citizens of Georgetown,

This year saw some high profile issues affect Georgetown which occupied a fair amount of The Selectmen's time. As a result of an election regarding a townsperson, Tree Growth lots became the focus of the Board's attention this year, and will continue to go forward. The Tree Growth law, which as a whole is beneficial to many landowners in the State of Maine, has a great deal of requirements that must be met and continue to be met, while the lot resides in the Tree Growth program.

One of the benefits of the unwanted attention to the Tree Growth law is the Selectmen have become well versed in the laws regarding Tree Growth and the Freedom of Information as both were used heavily during the process. The Selectmen now have a continuing process to ensure that lots in tree growth are following the law.

One other focus area was the conclusion of an ongoing legal case regarding the Town upholding a challenge to an ordinance where the town felt there had been a violation. The case ended up in Superior Court after much time was spent by many individuals regarding the issue. The Superior Court found in favor of the Town and the legal fees the town expended to defend the ordinance were recovered.

Smart meters continued to be installed in town by Central Maine power and the high speed internet connectivity project continued to move forward. There were issues with The Sagadahoc 911 communication towers, which the town worked with the County toward resolution.

The State of Maine had much discussion regarding the paving of State Route 127, and a light paving was scheduled. Volunteers worked with the Road Commissioner and the Selectmen to try and get the State to do as much as possible, given the tight financial times for the State budget.

Fireworks became legal in Maine. The Selectmen decided to take no action regarding creating an ordinance, as we have no police force, and the Sheriff and State Police will not enforce a local ordinance.

Our Codes Enforcement officer, Animal Control officer, and Emergency Management Director were busy this year, and all continue to do a good job supporting the town.

As always, we so appreciate our personnel and all of the volunteers that make things "happen". It is such a pleasure to reside in Georgetown!!

Respectfully Submitted,
Geoffrey W. Birdsall
Chair, Board of Selectmen

Susan M. Collins
Maine
413 DIRKSEN SENATE OFFICE BUILDING
WASHINGTON, DC 20510-1904
(202) 224-2693 (fax)

Dear Friends,

It is a privilege to represent Maine in the United States Senate, and I am deeply grateful for the trust the people of Maine have placed in me. Public service is a responsibility I take seriously. In 2012, I reached a milestone by casting my 5,000th consecutive roll-call vote. I have never missed a single roll-call vote, a record unique among current Senators.

As we enter 2013, the economy and jobs remain my top priorities. As a senior member of the Defense Appropriations sub-committee, I am committed to keeping our nation secure and our skilled defense workers on the job. I secured funding to increase the shipbuilding programs at Bath Iron Works and advance essential modernization projects at the Portsmouth Naval Shipyard. I was honored to receive the Navy League's Congressional Sea Services Award for 2012 as the leading advocate for our maritime services and US shipbuilding.

Maine's economic future recently received a boost with significant federal funds for deep-water, offshore wind energy research and development at the University of Maine and in private sector firms. Maine has some of the strongest and most consistent winds off our coast, and we have some of the world's leading researchers. These funds will help Maine be a world leader in developing this clean, renewable energy source, ultimately resulting in the creation of thousands of good-paying jobs for our state.

As a leader on the Transportation Appropriations Subcommittee, I am also working to ensure that investments are made in our transportation infrastructure. Early last year, construction began on a modern, safe, and efficient replacement for the Memorial Bridge at Kittery, a project for which I worked to secure funding. Working with the State Department of Transportation, I also secured federal funding to replace the aging Martin Memorial Bridge in Rumford and the decrepit Richmond-Dresden Bridge. In 2013, I will continue to seek funding for improvements in our roads and bridges to make traveling safer and more efficient for our citizens and to facilitate commerce. It is also gratifying to see the heaviest trucks on the Interstates where they belong rather than on our downtown streets and country roads. This is the result of a law I authored in 2011.

Maine's environment is critical to our economy and the health of our residents. I opposed efforts in 2012 that would have weakened the landmark Clean Air Act and would have exposed our state to emissions from coal-fired power plants elsewhere. At the same time, I have continued to work with a bipartisan group of Senators to ensure that federal regulations on industrial boilers protect our environment without imposing onerous burdens on our forest-products industry and other manufacturers.

Many Mainers contacted me last year to express concern about the Postal Service, which is essential to our economy and our way of life. Last year, the Senate approved legislation I co-authored to help put the Postal Service on a sound financial footing since it has been losing billions of dollars. Although the House failed to act on our bill, the Postal Service has heeded my requests to keep open the vital mail-processing center in Hampden. I will continue to work to ensure that all Mainers, regardless of the size of their communities, have access to the postal services upon which they rely.

As the daughter of a World War II veteran wounded in combat, I know how important quality, accessible health care is for our veterans. This past year, I worked to ensure that our rural veterans' health care facilities are fully staffed and to strengthen our Veterans' Homes. Federal health agencies also began an investigation into whether Maine veterans were exposed to toxic defoliant chemicals while training at Gagetown, New Brunswick.

With shortages of medications putting patients at risk, I co-sponsored legislation to encourage manufacturers to report anticipated production problems to help avert shortages. Through this voluntary approach, more than 200 potentially life-threatening shortages were prevented last year.

While Congress averted a huge increase in tax rates for middle-income American families and small businesses, there remains a lot of work to be done to reduce our unsustainable \$16.4 trillion debt. It is essential that we do so in a responsible way, but that Washington stop delaying decisions that will help shape our economy and future prosperity.

I remain committed to doing all that I can to address your community's concerns in 2013. If I may be of assistance in any way, I encourage you to contact my state office in your area.

Sincerely,
Susan M. Collins
United States Senator

Home (207) 737-4797*

Dear Residents of Georgetown,

It is my great pleasure and honor to serve a third term as your State Senator during the 126th session of the Maine State Legislature. In January, the newly elected Legislature, along with Governor Paul LePage, began work on legislation across all areas of government, including the two-year budget that funds state government and provides assistance to municipalities and schools.

At the time of writing this letter, the two-year budget process is underway but not yet complete. There is significant disagreement with the Governor's proposal to address state budgetary shortfalls by shifting over \$400 million onto municipalities, which would inevitably raise property taxes on Maine homeowners and businesses. Just as has been done in the past, it is my hope that the Legislature will find common ground and solve these financial challenges together in a bipartisan fashion that limits the impact on municipalities and the property tax.

This year elected officials and policy makers are overwhelmingly focused on working with the private sector to help our economy grow. While Maine's economy is beginning to show signs of growth, the state still lags behind most states. We were the only New England state to have an economy that shrank in the past two years and still today there are approximately 50,000 Mainers unemployed and many more underemployed in their current position. We must do better.

One area of common focus is to strengthen our economy by addressing the skills gap so that we can improve educational and job opportunities for the workforce of today and tomorrow. The Legislature formed the Joint Select Committee on Maine's Workforce and Economic Future, which I co-chair, to work closely with business leaders, workforce advocates and educational leaders to make sure that we are training our workforce for the skills that are required to succeed in today's knowledge-based economy.

This Legislative session, I was honored by my Senate Democratic colleagues by being elected Senate Majority Leader. In this leadership role, I will continue to work across the aisle in the Legislature and with the Executive Branch to craft solutions to the challenges facing the state.

The Town of Georgetown is a wonderful community that I am proud to represent. Please do not hesitate to contact me with any questions, concerns, or if you are in need of assistance with state government. I can be reached by email at senseth.goodall@legislature.maine.gov or by phone either at home (837-9203) or at the State Capitol (287-1515).

Best Regards,
Seth A. Goodall
State Senator, representing Sagadahoc County and Dresden in Lincoln County

TTY: (207) 287-4469**

MESSAGE TO THE CITIZENS OF GEORGETOWN

Dear Neighbors:

It continues to be an honor to serve as your State Representative during the 126th Session of the Maine State Legislature. As your voice in Augusta, I continue to work to create more economic opportunities for the people in the communities I serve and to assure that our schools, hospitals, public infrastructure and natural resources are sustained and protected in these difficult times.

Ensuring that Maine has a balanced budget will be a top priority this session. The Appropriations and Financials Affairs Committee is currently going through every line of the proposed budget. They have also begun holding public hearings allowing members of the public can weigh in on the budget process.

I will continue to work with my colleagues to create a balanced budget that does not raise costs in the long term and represents shared budget cuts among all Mainers. The budget will not be approved until it is voted on by the Legislature, so if you have concerns I urge you to attend a public hearing.

As the newly appointed House chair of the Committee on Education and Cultural Affairs, strengthening the education of Maine's children is a top priority for me. I am looking forward to working with my colleagues, on both sides of the aisle, to ensure that we do just that.

Education is not my only focus. I continue to work to lower Maine's energy costs and to assure that clean energy projects do not have any negative impacts on our fisheries.

Please do not hesitate to contact me with any questions or concerns or if you need assistance with state government. I can be reached by email at bmacdon@roadrunner.com or by phone either at home (633-0570) or at the state capitol message line (1-800-423-2900).

Once again, I am honored and grateful for the opportunity to serve you.

Sincerely,

Bruce MacDonald

State Representative

COUNTY OF SAGADAHOC

COMMISSIONER CAROL A. GROSE

District 2 – Bowdoinham, Georgetown, Phippsburg, Richmond & Woolwich

Citizens of Georgetown,

It has been my honor to continue serving the citizens of Georgetown as a Sagadahoc County Commissioner. After completing four years on the Board, I am increasingly confident that the services provided by the County are delivered in the most cost effective and professional way possible. The only increase in our tax levy over the past five years has been to reflect the legislatively mandated increase in our jail cap. We have otherwise been able to maintain the scope and quality of our services without raising additional funds, which strongly reflects our commitment to Sagadahoc's citizens.

As we move forward in this challenging economic climate, which is accentuated by looming cuts in state revenue sharing, the Commissioners remain acutely aware of the impact the County tax assessment has on Sagadahoc municipalities and remain committed to minimizing increases as we enter into the FY 2013-14 budget process. Unfortunately, however, our reserves cannot continue to subsidize the increases in operating and capital costs that we have experienced over the past several years and we must try to find other savings to reduce the impact on our citizens.

During 2012, the County's many activities and accomplishments included the following: **Administration** spent a great deal of time overseeing the completion of extensive renovations to the exterior of the Courthouse. In addition, the finance department was reorganized to allow the addition of a human resources director within the existing budget. **Probate Court** processed 218 new filings and 343 passport requests and continued to back-scan its records into an electronic database; **Deeds** continued its efforts to make all deeds, plans and surveys available for viewing at sagadahocdeedsme.com; **Emergency Management Agency** planned and implemented regional training, assisted local EMA Directors and community officials in meeting federal emergency preparedness requirements, implemented a new Reverse E-911 Emergency Notification System, obtained a number of public safety grants, and worked closely with area emergency responders and public health agencies including the **Sagadahoc County Board of Health**; the **Communications Center** filled four vacancies during the past year and also made upgrades to improve communications between towers, which eliminated periodic signal interruptions.

In 2012, the **Sheriff's Office** saw a decrease of approximately 1% in the number of calls, with a very slight decrease in reportable crimes. The **District Attorney's Office** continued to handle a high volume of court cases. The **Patrol Division** and **Detective Divisions** were challenged by staff shortages throughout the year, with three deputies leaving the department. The S.O. continues to work collaboratively with various task forces to solve our most serious crimes. The **Transport Division** handled over 900 transports last year and has also assumed responsibility for monitoring inmates on home release. The community public works program resulted in the performance of 2,500 hours of labor in Sagadahoc County. The **Civil Division** continues to serve orders and writs in a consistently professional manner.

In order that I may represent constituents effectively, it is important that I am aware of your questions and concerns. Please do not hesitate to contact me at 319-5290. And I encourage interested persons to attend Board of Commissioners' meetings, which are held at 3:00 p.m. on the second Tuesday of each month and 5:00 p.m. on the fourth Tuesday (if needed), in the Commissioners' Meeting Room of the County Courthouse, 752 High Street, Bath, Me. (For details, call 443-8202.)

Respectfully,
Carol A. Grose,
Sagadahoc County Board of Commissioners

TOWN MEETING MINUTES JUNE 12, 2012

The Town Meeting was called to order on June 12 at 7:50 AM by the Town Clerk who then read the Greeting and turned to Article 1.

Art. 1. Andrew Roth-Wells was elected Moderator to preside at said meeting with 6 votes. Following his swearing in, the Moderator appointed Claudia Hayward as Deputy Moderator to preside over the Municipal Election in his absence.

Art. 2. Kristen Coombs was elected Town Clerk with 191 votes for a term ending at the closing of the Town books June 30, 2013, with Diann Longstreet receiving 71 votes and Judith Duke receiving 16 votes. Others receiving votes were Robin Doak 151, Claudia Hayward 1, and Colby Coombs 1.

Art. 3. Dolores Pinette was elected Selectman with 226 votes for a term ending at the 2015 Annual Town Meeting, with Charlie Collins receiving 204 votes. Don Cowing also received 1.

Art. 4. Mary McDonald was elected Treasurer with 417 votes for a term ending at the closing of the Town books June 30, 2013. Others receiving votes were Robin Doak 2 and Colby Coombs 1.

Art. 5. Kristen Coombs was elected Tax Collector with 183 votes for a term ending at the closing of the Town books on June 30, 2013, with Diane Longstreet receiving 81 votes and Judith Duke receiving 21 votes. Others receiving votes were Robin Doak 141, Claudia Hayward 1, and Colby Coombs 1.

Art. 6. Dale Savoie was elected Road Commissioner for a term ending at the 2013 Annual Town Meeting with 339 votes. Others receiving votes were Charlie Collins 18, Stan Burns 2, Don Wilson 2, and 1 vote each for Kristen Coombs, David Leveille, Colby Coombs, and Mark French.

Art. 7. Nina Roth-Wells was elected a member of the School Committee, with 391 votes, for a term ending at the 2015 Annual Town Meeting. Also receiving 1 vote each were George Browning, Colby Coombs, Wendy Keith-Hardy, John Holt, and Bill Plummer.

Art. 8. Mark Donovan was elected a member of the Town-Owned Property Management Board with 221 votes for a term ending at the 2015 Annual Town Meeting, with Bronwen Tudor receiving 180 votes. Also receiving 1 vote each were George Browning, Colby Coombs, Frank Pinkham, and Glenn Plummer.

Art. 9. Franklin Pinkham was elected a Cemetery District Trustee with 400 votes for a term ending at the 2015 Annual Town Meeting. John Holt and Colby Coombs each received 1 vote.

Following the counting of the votes, the Deputy Moderator announced the election results at 12:30 am and then recessed Town Meeting until 9:00 AM on Saturday, June 16, 2012.

Town Meeting was reconvened at 9:05 AM on June 16, 2012 by Moderator Andy Roth-Wells. He welcomed participants, reviewed the rules governing the meeting, and asked that the newly-elected Town officials remain to be sworn in at the end of the Meeting. He then called for any community announcements.

Larry Mann reminded people that the Fire Department auction would be held July 1.

Bill Plummer mentioned the July 4 Parade and the Blessing of the Fleet to take place the Sunday after.

The Moderator then read the results of the State Primary and the Municipal elections and thanked people who ran for office. He then turned to the remaining Warrant Articles.

Art. 10. The Town voted to adopt the following: (A) in regard to collection of taxes: Taxes shall become due and payable sixty days from the date printed on the bill, and interest at the rate of seven percent per annum will be charged on all accounts not paid by the due date; and (B) in regard to abatement of taxes: Interest at the rate of three percent per annum will be applied to all accounts from the date the taxes were paid until the overpayment is repaid.

Art. 11. The Town voted to authorize the Treasurer, with the consent of the Selectmen, to procure a temporary loan or loans in anticipation of taxes for the purpose of paying obligations of the Town, such loan or loans to be paid during the municipal year out of money raised by taxes during that municipal year.

Art. 12. The Town voted to authorize the Selectmen, on behalf of the Town, to sell and dispose of any real estate acquired by the Town for non-payment of taxes on such terms as they deem advisable and to execute quitclaim deeds on the same.

Art. 13. The Town voted to authorize the municipal officers to dispose of Town-owned personal property with a value of \$2000 or less under such terms and conditions as they deem advisable.

Art. 14. The Town voted to authorize the expenditure, with the specific approval of the Selectmen, of such funds as various Town bodies may receive from government or private grants or donations or similar block-funding gifts in addition to their approved, budgeted expenses, provided that funding does not trigger the expenditure of additional local funds not previously appropriated by the voters.

Art. 15. The Town voted to authorize the municipal Treasurer, upon direction from the Board of Selectmen, to waive the foreclosure of a Tax Lien Mortgage by recording a Waiver of Foreclosure in the Registry of Deeds in which the Tax Lien Certificate is recorded, prior to the right of redemption expiring, pursuant to 36 MRSA § 944.

NEW ORDINANCE

Art. 16. The Town voted to enact the Ordinance entitled "Ordinance Exempting Eligible Active Duty Military Personnel from Vehicle Excise Tax for the Town of Georgetown, Maine".

AMENDED ORDINANCES

Art. 17. The Town voted to approve amendments to the Building Permit Ordinance for the Town of Georgetown, Maine.

Art. 18. The Town voted to approve amendments to the Planning Board Ordinance for the Town of Georgetown, Maine.

Art. 19. The Town voted to approve amendments to the Shoreland Zoning Ordinance for the Town of Georgetown, Maine, ensuring congruity with the Building Permit Ordinance.

Art. 20. The Town voted to approve amendments to the Waterways and Harbors Ordinance for the Town of Georgetown, Maine.

GENERAL GOVERNMENT

Art. 21. The Town voted to authorize the expenditure of funds to pay the following Town officers' salaries for the period from July 1, 2012 to June 30, 2013, hereafter designated as the fiscal year 2012-13, and to appropriate the Town funds required:

First Selectman	\$ 3,500

TOWN-OWNED PROPERTY MANAGEMENT BOARD

Art. 23. The Town voted to authorize the Selectmen and the Town-Owned Property Management Board to solicit and accept donations for wharf repairs and improvements.

Art. 24. The Town voted to authorize paying the following property management expenses for the fiscal year 2012-13 and to appropriate the Town funds required:

Operating expenses	
Contingency	\$ 2,000
General operations	
Engineering Studies	600
Float launch, haul, and store	3,500
Miscellaneous (paint, dumpster, etc)	500
Ordinance Enforcement	600
Postage	100
Printing and advertising	1,000
Signage	350
Submerged Land Lease	150
Utilities	1,000
Maintenance and repair	
Buildings	
Ice Cream / Bait building	2,500
Lobster Pound	1,500
Love Nest Snack Bar	1,500
Floats	
Commercial	1,000
Recreational	1,500
Hoist service	2,500
Mowing	800
Todd's Landing ramp repair	1,200
Wharf Structural maint/repair	1,000
Miscellaneous maintenance	1,000
Capital expenses	
Building improvements	
Ice Cream / Bait	0
Lobster Pound	5,000
Love Nest Snack Bar	5,000
Surveying	0
Wharf structural improvements	0
Miscellaneous capital expenses	1,000
Parking lot improvements reserve (current balance \$4,634)	0
Todd's Landing improvements reserve (current balance \$3,150)	0
Wharf rebuilding reserve (current balance \$8,768)	<u>\$20,000</u>
	<u>\$ 55,300</u>

Art. 25. The Town voted to authorize the Selectmen and the Town-Owned Property Management Board to assess and collect repair costs from anyone whose vessel damages the Town Wharf at Five Islands.

GEORGETOWN COMMON SCHOOLS

Education expenditure articles for the fiscal year 2012-13

Art. 26. The Town authorized the School Committee to expend \$1,089,217 for Regular Instruction.

Art. 27. The Town authorized the School Committee to expend \$322,516 for Special Education.

Art. 28. The Town authorized the School Committee to expend \$4,045 for Other Instruction.

Art. 29. The Town authorized the School Committee to expend \$145,800 for Student and Staff Support.

Art. 30. The Town authorized the School Committee to expend \$56,576 for System Administration.

Art. 31. The Town authorized the School Committee to expend \$146,274 for School Administration.

Art. 32. The Town authorized the School Committee to expend \$110,917 for Transportation and Buses.

Art. 33. The Town authorized the School Committee to expend \$169,306 for Facilities Maintenance.

Art. 34. The Town authorized the School Committee to expend \$10,000 for Debt Service and Other Commitments.

Art. 35. The Town authorized the School Committee to expend \$30,675 for All Other Expenditures.

Art. 36. The Town authorized the School Committee to expend \$2,085,326 for the fiscal year beginning July 1, 2012 and ending June 30, 2013 from the Town's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act (EPS), additional local funds for school purposes under 20-A MRSA § 15690, unexpended balances, tuition receipts, State subsidy, and other receipts for the support of schools.

Art. 37. In addition to amounts approved in the preceding articles, the Town authorized the school committee to expend such other sums as may be received from Federal or State grants or programs or other sources during the fiscal year for school purposes, provided that such grants, programs, or other sources do not require the expenditure of other funds not previously appropriated.

Education revenue articles for the fiscal year 2012-13

Art. 38. The Town appropriated \$1,255,505.88 for the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act (the State recommends \$1,311,413.29) and raised that sum as the local contribution in accordance with 20-A MRSA § 15688.

The local contribution is the minimum amount the Town must raise under State Law in order to receive the full amount of State dollars.

Art. 39. The Town raised and appropriated \$578,018.12 in additional local funds, which exceeds the State Essential Programs and Services funding model by \$514,800.04 as required to fund the budget recommended by the School Committee.

YES 67

NO 12

The vote on this article was by written ballot under State law.

The additional local funds are those over and above the Town's local contribution that recommended by

the School Committee as needed to support educational programs Georgetown voters have long endorsed and that are not fully funded by the State Essential Programs and Services model for fiscal year 2012-13.

Education reserve fund article for the fiscal year 2012-13

Art. 40. The Town raised and appropriated \$7500 for the capital reserve fund for renovations to the Georgetown Central School, to be expended on recommendation of the School Committee and approval by a majority vote of the Selectmen (current balance \$42,095)

PUBLIC SAFETY

Art. 41. The Town voted to authorize the Selectmen and the officers and directors of the Georgetown Volunteer Fire Department Inc to solicit and accept donations, grants, and reimbursement claims, and to transfer the funds thus raised to the Georgetown Volunteer Fire Department.

Art. 42. The Town voted to authorize the Selectmen to extend and continue the present contract with the Sagadahoc County Fire Association for mutual emergency assistance.

Art. 43. The Town voted to authorize paying the following protection expenses for the fiscal year 2012-13 and to appropriate the Town and grant funds required:

Animal Control Officer	\$ 1,312
Coastal Humane Society	1,345
Code Enforcement Officer/Local Plumbing Inspector	
Stipend	2,500
Mileage	1,500
ACEO Stipend	500
Share of building permits and floodplain permits	3,200
Training	400
Plumbing Inspector's share of plumbing permit fees	3,900
State share of plumbing permit fees	1,300
Fire Department administration	1,500
Fire Department advanced life support	8,500
Fire Department ambulance and fire salaries	16,000
Fire Department Firefighter 1 instructor	1,000
Fire Department Officer's stipend	3,150
Fire Department training / maint stipend	11,000
Fire Department vehicle inspection	2,500
Fire Department emergency vehicle reserve (current balance \$82,032)	25,500
Fire Department Five Islands fire house maintenance	1,000
Fire Department Five Islands fire house reserve fund (current balance \$12,000)	1,000
Harbormaster and moorings	8,750
Harbor emergency reserve (current balance \$16,473)	4,000
Shellfish Conservation Committee	15,600
	<u>\$ 115,457</u>

SANITATION

Art. 44. The Town voted to authorize paying the following solid waste disposal expenses for the fiscal year 2012-13 and to appropriate the Town funds required:

Capital improvements	\$ 3,000
Capital equipment replacement reserve (current balance \$36,000)	2,000
Contingency	2,000
General operations	2,500
Licensing Fees	400
Phone / Utilities	1,000
Safety Equipment	500

Sick / Vacation Time	2,395
Station Attendants	38,000
Training	200
Household hazardous waste disposal	2,000
Maintenance and repairs	5,000
Recycling removal	4,400
Solid waste removal	90,000
Universal hazardous waste disposal	<u>200</u>
	\$ 153,595

HIGHWAYS AND BRIDGES

Art. 45. The Town voted to authorize paying the following road expenses for the fiscal year 2012-13 and to appropriate the Town funds required:

Education and training	\$ 350
Road maintenance	
Culverts and ditching	18,000
General incidentals	10,000
Line painting; grading	13,500
Patching and sealing	30,000
Tree trimming; mowing; signs	8,500
Road paving	23,000
Road paving loan	<u>354,896</u>
	\$ 458,246

Art. 46. The Town voted to authorize spending \$201,199 for snow removal for the fiscal year 2012-13 and to appropriate the Town funds required.

RECREATION, HEALTH, AND HUMAN SERVICES

Art. 47. The Town voted to authorize paying the following local service expenses for the fiscal year 2012-13 and to appropriate the Town funds required:

General assistance	\$ 8,000
Georgetown Community Center	7,500
Recreation Committee	7,730
Richards Library	<u>2,350</u>
	\$ 25,580

Art. 48. The Town voted to authorize paying the following regional service expenses for the fiscal year 2012-13 and to appropriate the Town funds required:

Bath Area Food Bank	\$ 600
Bath Area Senior Citizens	800
Big Brothers / Big Sisters	550
The Children's Center	0
Coastal Transportation	550
Elmhurst Inc	800
Family Crisis Services	100
Greater Bath Elder Outreach Network	300
Midcoast Maine Community Action	525
Patten Free Library	16,689
Spectrum Generations (Central Maine Area Agency on Aging)	400
Sweetser	1,224
Tedford Housing	<u>350</u>
	\$ 22,888

Note: The \$16,689 for the Patten Free Library is based on our 2010 population of 1,042 multiplied by a per capita rate of \$16.02. If the Bath City Council approves a lower per capita

rate, the Selectmen are authorized to recalculate the amount to be expended using that lower per capita rate.

Art. 49. The Town voted to authorize paying \$5,000 requested from Fields for Our Future for the fiscal year 2012-13 and to appropriate the Town funds required.

CEMETERY MAINTENANCE

Art. 50. The Town voted to authorize paying for the following cemetery expenses for the fiscal year 2012-13 and to appropriate the Town funds required:

Cemetery manager	250
Maintenance and repair	
Flags and plaques	0
Mowing, tree and brush trimming	4,206
Capital Expense (boundary fence)	<u>3,375</u>
	\$ 7,831

UNCLASSIFIED

Art. 51. The Town voted to authorize paying \$21,655 for MacMahan Island for the fiscal year 2012-13 as authorized by law and to appropriate the Town funds required. This amount is a direct obligation of the Town. Last year's amount was \$19,948.

Art. 52. The Town voted to authorize paying a sum now estimated at \$856,688 to pay tax to Sagadahoc County and to appropriate the Town funds required. This amount is a direct obligation of the Town. Last year's actual amount was \$820,858.

Art. 53. The Town voted to appropriate a sum not to exceed \$375,000 from undesignated fund balance to reduce the annual tax commitment.

Art. 54. The Town voted to bring forward the mandated actual unexpended balance in the Common School Funds account. The unexpended balance as of May 17, 2012 is \$130,000.

Art. 55. This article was to see if the Town would vote to increase the property tax levy limit of \$656,361, set for the Town by the State, in the event the municipal budget approved at Town Meeting resulted in a tax commitment greater than that property tax levy limit. Mary McDonald recommended withdrawing Article 55. A motion to withdraw the article was seconded, and the Town then voted to withdraw Article 55.

Following the swearing in of those elected by Tuesday's balloting, the meeting adjourned at 10:35 AM.

Respectfully submitted,
Kristen Coombs
Town Clerk

BOARD AND COMMITTEE REPORTS 2011-12

BOARD OF APPEALS

The Board of Appeals met five times during the year. We received one application for an appeal. We were unable to accept this application because we did not have jurisdiction over the matter. The other four meetings were for administrative matters, primarily election of officers, forming a budget, and reviewing ordinances.

Respectfully Submitted,
Kate MacKay
Chair

CEMETERY DISTRICT TRUSTEES REPORT

Dear Friends,

We feel fortunate indeed to have Frank Piechowski maintaining our island cemeteries. Frank has not increased his bid for several years and we are grateful for all he does to keep our cemeteries looking beautiful. He says he feels it is his contribution to Georgetown and it is greatly appreciated.

The second phase of our fence project at Mountainside was completed in August. We plan to complete the next two phases within the next five years.

Island Surveys will be doing an updated survey of Mountainside as soon as the snow leaves us. We have had great difficulty locating lot markers as most have been driven down into the ground over the years.

We are currently updating the cemetery ordinance. We hope to have the project completed by town meeting.

Please note it is a state law that all flags must be removed by September 30th and cannot be put on until May 1st.

Again, we ask everyone to notify the Town Office or a Cemetery District Trustee when burying a loved one in any of our cemeteries.

Please feel free to contact any of the trustees if you have questions or concerns.

Respectfully submitted,
Georgia Kennett
Chair

Mountainside Cemetery

Angela Mead

GEORGETOWN CONSERVATION COMMISSION

The Conservation Commission had a busy and productive year in 2011-2012, meeting our mission to care for and maintain Georgetown's open spaces and to provide leadership in the development, use, and conservation of the town's natural resources.

In September, the Commission coordinated Georgetown's participation in the annual **International Coastal Cleanup** weekend to keep Georgetown's beaches, marshes, and shorelines free of debris. Also in the fall, the Commission launched a Water Quality Assessment Project with the University of New Hampshire. UNH students sampled selected Georgetown wells for salt-water intrusion and septic contamination over the winter and reported findings at a community meeting in May. In October, the Commission hosted a first annual community Harvest Potluck supper of locally grown, caught, shot, or foraged food, to celebrate eating locally for island sustainability. In collaboration with the Georgetown Central School, the Commission developed a Turtle Awareness Project in the spring. Students and community members worked together on a project about turtles and their tendency to cross our roads to lay eggs. The Commission posted "Caution – Turtle Crossing" signs made by the students along several island roads. The Commission hosted an island sustainability community forum about local farming in May. We continue to monitor and maintain town-owned conservation lands: the Ipcar Natural Preserve in Five Islands, and the Round the Cove Walking Trail in Georgetown Center, and publish and distribute a map and guide to Georgetown's most popular walking and hiking trails on conservation lands.

Respectfully Submitted,
Susie Westly Wren
Chair

FINANCIAL ADVISORY COMMITTEE

Voters at the June 16, 2012 Town Meeting approved a Town Budget totaling \$4,273,179 for the upcoming fiscal year, an increase of \$42,712 or 1.0% from the previous year. The Municipal Budget showed a decrease of \$3,126 or 0.2% to \$1,298,665. Although the Town Budget only reflected a 0.2% decrease from the previous year, the amount needed to be raised by property taxes decreased by \$99,761 or 15.5%. The decrease was primarily due to use of \$375,000 from the town undesignated fund balance. Final figures on the county taxes reflected an increase of \$35,830. The FAC appreciates the work of all the boards and committees to keep the expenses down and maximize the use of their funds.

With the resignation this year of long time member Jack Swift, the FAC expresses sincere thanks to Jack for his expertise, and many years of service. We welcome new FAC members Kate MacKay and Patty Kimball.

Respectfully submitted,
Richard DeVito
Chair

HARBOR COMMITTEE

The Harbor Committee is glad to report that there were no significant problems or emergency issues during the fiscal year 2011-12. The committee continues to update and expand the town's list of mooring permits to include contact and boat information. This is an ongoing effort and is intended to aid the harbormaster in contacting boat owners during potential emergency situations. The list is also being optimized into useable computer format.

Numbering of mooring floats and removal of unused and unregistered moorings continues to be a priority.

The committee established, and the town approved, a budget for fiscal year 2012-13 of \$12,675, which is slightly below 2011-12 and included the addition of \$4,000 to the harbor management reserve fund.

Two new speed buoys were approved for purchase to replace older, damaged buoys.

With the help of courtesy reminder letters to holders of mooring permits, collection of annual mooring permit fees went fairly smoothly.

It is the objective of the Harbor Committee to promote continued safe boating in the waters of Georgetown.

Respectfully submitted,
David Moyes
Chair

PLANNING BOARD

The Planning Board issued 26 permits for new or improved principal structures or new or replaced piers during the fiscal year. This compares with 21 such permits issued in the preceding fiscal year. The Planning Board prepared revisions to three ordinances for consideration at the annual Town Meeting. The three revised ordinances were accepted by the Town. For the Planning Board Ordinance, we proposed changes to the provisions governing bias and conflict of interest and those relating to eligibility for membership on the Board. Of most note, we added a requirement that one had to be a resident of the Town to serve on the Planning Board. For the Shoreland Zoning and Building Permit Ordinances, we added provisions defining hoop garages and storage containers and requiring permits for hoop garages above a certain size. We also made changes to the schedule of fees for building permits. Finally we adopted a revised set of Bylaws governing the conduct of our meetings and made changes to the Building Permit Application Form to require more information from the applicant.

The Planning Board normally meets on the first and third Wednesdays of each month at 7 PM in the Town Office. Our meetings are open to the public and we invite anyone interested to attend.

Respectfully submitted,
Rick Freeman
Chair

Fish Derby at Don's Pond

Amy Lang

Blessing of the Fleet

Angela Mead

RECREATION COMMITTEE

Your Recreation Committee continues to offer many year-round programs and events for all Georgetown residents, its students and families. We offer swim lessons for Georgetown School students through the Bath YMCA and summer camp scholarships. The Committee also works with other town organizations to offer additional recreational activities.

We continue to help the school and Leadership Club with the Bike Safety Rally, for example and co-sponsor activities with the Community Center. These include the Fourth of July Parade and the children's Halloween and Christmas parties.

The Committee presents 'The Blessing of the Fleet' in July. This exciting summer event celebrates our island heritage and includes live music, a boat parade, and activities like the popular lobster crate race and the grease pole challenge. And, it continues to get bigger and better, thanks to all the great community involvement. Pastor Barry Moore officiates the 'Blessing'.

The annual family fishing day has caught on and we are reeling in the fun. The Recreation Committee provides hot chocolate and hot dogs during this fun-filled day. The event is held in February at Don's Pond (Middle Dyke Farm) on the Bay Point Road during the state's free fishing weekend. All gear is provided for the kids and prizes are awarded. Once again the pond was stocked with brook and rainbow trout, but this year only Bass were caught. And, thanks to the creators of this event all participating kids receive a "goodie" bag.

In addition, the Recreation Committee maintains the tennis courts at Five Islands with a reserve fund for maintenance and future improvements. We continue to offer free tickets to year-round sports events like the Seadogs Baseball and Red Claws Basketball. We also present 'Meet the Candidates Night' and the annual 'Lighting of the Christmas Tree' at the Five Island Wharf. It was a bitter cold night at this year's tree lighting ceremony but residents and families still came out for this traditional event to enjoy the camaraderie, hot chocolate and cookies.

The annual 'Get To Know Your Neighbor Party' is held in March at the Community Center where the Outstanding Citizen Award is presented. New residents are encouraged to attend this free event, as this is a great opportunity to meet new neighbors and catch up with old friends. Last year's award winner Jeanne McGowan presented the 2012 Outstanding Citizen Award to a surprised Bob Trabona. Bob has served on the Fire Department and as our Code Enforcement Officer. He is always there to lend a helping hand with the auction, the Working League Fair, and the Celebration of the Arts events, for example. His willingness to go above and beyond to help his community has truly made him an "outstanding" citizen.

Thank you all for a very successful year. Our committee now has a number of fun, new energetic members with a variety of talents who work hard and bring exciting ideas to the organization.

Respectively submitted,
Lisa Reece
Chair

SHELLFISH CONSERVATION COMMITTEE

For spring conservation we harvested seed clams from Halls Bay and transplanted them in Harmon Harbor and part of Robinhood Cove. Next year the committee has decided to do a more rigorous seed program. We would like to use money from our leftover Beal Island and Holt grants to purchase seed clams from the hatchery to transplant and net over in Sagadahoc Bay, Heal Eddy and Todd's Bay. This has worked well in the past as we notice a decline or gap in seed clams coming along in these three areas that we harvest.

The committee and DMR are conducting shoreline surveys to look for suspect septic systems around the Knubble and outer portions of Robinhood Cove for possible openings in the future.

DMR will continue to monitor the shoreline through sanitary surveys. The committee appreciates the work done by KELT through educational programs and media resources to educate people on how important it is for residents with shoreline property to maintain their septic systems. Maintaining your shoreline septic system helps keep the flats open and our resource healthy. We encourage all residents to inspect and maintain their systems.

We are currently looking for new members who would have an interest in this local industry and our conservation efforts. If you might be interested, please contact a member or Selectman or join us at our next monthly meeting.

Respectfully submitted,
Chad Campbell
Chair

SOLID WASTE COMMITTEE

The Transfer Station continues to be busy and operate smoothly thanks to our reliable attendants Jim Coombs, Larry Mullins, and John O'Leary who is a part time attendant. Our thanks also to Alison Freeman who fills in when needed.

The Solid Waste Committee and the Town would like to thank Mark French for his 15 years of service at the Transfer Station. Mark retired in the fall of 2012, and he will be missed. The Committee wishes him well.

We would also like to thank Bill Husson for all the times he has filled in at the TS. Bill has also retired.

A storage container was added to the TS and a snow blower was purchased to help keep the smaller areas of the Transfer Station open and accessible. Some of the containers have been repaired and all have been painted which will help to extend their life.

As many of you may have read in the Tide, managing the Transfer Station not only involves receiving our trash, but all the electronics and universal waste materials that are brought in must be accounted for and mercury switches must be removed. Proper disposal of such items as fluorescent lights have to be recorded. There are forms that must be completed and turned in to the recyclers when they come to pick up these materials. Management of the Transfer Station has become a much more involved operation than it was years ago and we are thankful we have attendants who make sure we are operating within the State and Federal regulations.

The bulky container is open for use on Wednesdays as well as Saturday and Sunday. The 1-7 plastics bins continue to be filled up much of the time, which means this plastic does not go into a land fill elsewhere.

In the last year 183 tons went into the bulky waste, 344 tons in the compactor, and we recycled 122 tons.

Georgetown continues to take part in the household hazardous waste collection, which happens twice a year, once in Bath and once in Brunswick. These collections allow Georgetowners to dispose of waste that is hazardous to land, air, and water.

A huge thank you goes out to the volunteers who keep the Mall accessible and organized. They are a terrific help to Jim and Larry.

The Committee is looking forward to another great year with a lot of recycling and disposal of our trash in a healthy and responsible manner. Thank you all for doing your part in keeping the Transfer Station operating smoothly.

Respectfully submitted,
Sharon Trabona,
Chair

TOWN OWNED PROPERTY MANAGEMENT BOARD

The Board is pleased to report the successful completion in April 2012 of the final and most difficult phase of the 2009 Wharf Strategic Plan. The work completed this year included replacing and re-configuring the pilings under the Bait Building, replacing the pilings and the floor supporting the Love Nest, and adding pilings under the South Deck picnic area.

Six bids were received for the project in the fall of 2011 but none was within reach of the approved budget. With the assistance and support (at no additional cost) of the project engineer from Pine Tree Engineering, and following many extra meetings, the Board negotiated a contract with Northeast Marine Construction LLC, dba Rideout Marine, incorporating modifications in materials and construction methods to reduce the cost without compromising the structural integrity of the wharf. In January the Select Board approved the use of additional Wharf Reserve funds and construction began in February. Despite many challenges, work was completed by the original project deadline of April 15.

In addition, as mandated every five years by the TOPMB ordinance, the lease for a wholesale and retail seafood business was put out to bid in January. The Board took the opportunity to revise the lease, bringing it into conformity with commercial lease standards, to establish a list of criteria to guide potential applicants, and to create an application form so that the comparison of bids might become both easier and more objective. It is our hope that these documents will continue to be helpful to the TOPMB in the future.

Keith Longbottom (who previously managed the Love Nest) and his wife Gina were the successful bidders. They have incorporated as Five Islands Lobster Company and are partnering with Tim and Libby Nilsen of TLN Corporation and Craig Johnson of Coastal Bait to handle the fishermen's needs on the wholesale side of the business.

The Board would like to thank Stephen DeWick, Chris Mains and Jonathan DeWick of Pine Tree Engineering, Larry Colcord and Eric Graves of Northeast Marine for their professionalism, cooperation and patience. We thank the Todd family for the continued use of the old Shipyard as a Town Landing and, in addition, we gratefully acknowledge the many fishermen and other residents who contribute to the community's enjoyment and efficient use of the wharf and Todd's Landing by observing the posted rules, paying user fees on time, and picking up their own and other people's trash.

Respectfully submitted,
Bronwen Tudor
Chair

Bay Point Village

Michelle Plummer

APPOINTED AND ELECTED OFFICERS' REPORTS

ANIMAL CONTROL OFFICER

Between July of 2011 and June of 2012, I received approximately 85 phone calls for animal control matters. I went out looking for dogs, or picking dogs up about 35 times. I went to the shelter with stray cats 6 times during the year. I recorded one dog bite during this period. I had calls about dogs, cats, coyotes, woodpeckers, snakes, seagulls, and a donkey. I spent quite a bit of time with the Sheriff's office, our town lawyer, and the Assistant District Attorney in preparation for a court appearance in April. I spent time encouraging dog owners to license their dogs.

Respectfully submitted,
Kate MacKay
Animal Control Officer

CODE ENFORCEMENT OFFICER

Construction in Georgetown continues to be slow, reflecting the current economic conditions. There were twenty-one CEO building permits issued this year. Ten of the CEO permits were for structures in the Shoreland Zone. Also, there were sixteen plumbing permits, twenty-seven septic permits, and five flood plain permits issued.

If you are considering doing any construction, it is strongly recommended that you call the CEO to find out what, if any, permits are required and to review setback requirements. This is especially true if you are considering building or cutting trees in the Shoreland Zone, or doing shoreline stabilization as State rules and regulations can change at any time during the year. The CEO is available to review preliminary plans and/or conduct site visits to assist you during project development.

The CEO can be contacted at 371-2098 between the hours of 9 AM and 6 PM, Monday through Friday. Messages can be left on the answering machine at any time. Callbacks will be made during normal business hours, except for emergencies, which will be answered as soon as possible.

Respectfully submitted,
Robert J. Trabona
Code Enforcement Officer

HARBORMASTER

The 2011-2012 season was calm and relatively uneventful. I did, however, continue to receive numerous complaints about excessive speed and wakes in anchorage areas. Please respect our coastline residents by controlling excessive wake. The Georgetown speed/no-wake buoys are now all registered to the Coast Guard, which means the Coast can now enforce the zones covered by these PATONS (Private Aids To Navigation).

All mooring owners are advised to have your mooring tackle inspected the beginning of each season because it appears that electrolysis has become more powerful these days.

I look forward to another safe, pleasurable and profitable 2013 season. My thanks go out to all of our boaters and fishermen for all their cooperation.

Respectfully submitted,
George F. Dufour
Harbormaster

ROAD COMMISSIONER

Final pre-work on North End and Little Sheepscot Road ditching and culverts were done. We also were able to open the road up some, cutting 88 large trees along Little Sheepscot Road. I thank the Herman and Polito families for their cooperation. North End Road got some trees removed, all new culverts and some ditching to prepare for paving also. Robinhood was trimmed back by utilities, as well as us opening it up for better sunlight and melting. Finished up the paving on north end Sheepscot Road. Regular spring and fall grading was done and minor maintenance issues were taken care of.

Respectfully,
Dale A. Savoie
Road Commissioner

SHELLFISH WARDEN

One of the most important parts of my job as Shellfish Warden is to insure your health and safety if you are going to eat shellfish. A few suggestions follow: Make sure your septic system is working properly and is properly maintained and the tank is pumped periodically. If you own an overboard discharge system, be sure maintenance is properly carried out. Reduce or eliminate pesticide/lawn fertilizer usage if at all possible. Don't feed wildlife or create situations where large gatherings of wild animals take place that can cause excessive or concentrated waste. Clean up your pet's waste if you walk them on or near the shoreline. And just remember, just about everything we put on this earth winds up in the ocean. Get involved and join a conservation or shellfish committee.

Prior to harvesting any shellfish in Georgetown you must first obtain a shellfish license from the Town Office. At that time, ask the clerk if there are any conservation closures in effect and ask to look at all the latest applicable Administrative Letters, which should be found on the bulletin board outside the office door in the hallway. You may also want to pick up a recreational shellfish information sheet from the clerk or go to the Town web site for a copy.

Also check the Department of Marine Resources web site at www.maine.gov/dmr/rm/public_health/shellfishgrowingarea.htm for the most up to date status of the flats. This way you can be absolutely sure that the flats you plan to dig on are open. If you need assistance with this procedure please call Jon Hentz 371-2732 for guidance through the site.

If the Town office is closed and you need an immediate shellfish license please call the Sagadahoc Bay Campground at 371-2014 where you will find Patricia and Eric Kosalka ready to sell you a 7-Day Recreational Shellfish License at just about any time during daylight or early evening hours.

Prior to digging in the future, contact your Town Office at 371-2820 or me for the openings and closings, which can change without warning. Be especially cautious in the spring when we can expect heavy rains, which may close all our flats. Another springtime problem we routinely face is Red Tide. This will usually affect Blue Mussels, carnivorous snails and European Oysters, and can last all summer. The warden makes every effort to post closure signs at major points of access to some of the flats. These locations are the first telephone pole on the Birch Island Road, Julia Kahl's telephone pole by the tennis court on Kennebec Point, the signpost at the southern end of Molly Point, the sign post at the end of the pavement on the Sagadahoc Bay Road, Todd's Landing on Robinhood Cove between the two bridges, Bean's launch ramp at the end of the Indian Point South Bay Road, the Indian Point commercial clambers' access to the Bay by Connie Donovan's, the Indian Point access to Little River on the Ocean Loop Road, and the gate house at Reid State Park. However, never trust the absence of a sign. They can be (and in many cases are) vandalized or damaged. The only posting's you can completely trust are the ones located in the Town Office or the DMR website.

Please remember that if you use someone else's property to get to the clam-flats, you must first obtain permission from the owner or designated responsible person.

Finally, the Red Tide Hotline number is 1-800-232-4733. If you have a problem understanding this recording, please look at a chart or map to find the points of reference being spelled out. If you are still in doubt, please call me at home so I can provide assistance.

Respectfully submitted,
Jon L. Hentz
Georgetown Municipal Shellfish Conservation Warden

TOWN OFFICE GALLERY

Susie Wren is an artist and organic gardener, taking the fun things she got from Georgetown. There is a lot to see. She opened her West Island Gallery in Georgetown and taught children art after school. Her work is new paintings and drawings, studies from wandering on Georgetown and Matinicus Islands.

Jim Coombs is a wonderful artist, using several art mediums. He goes here and there for different variations to please people looking at the art that is up on the Town Office Gallery. We asked him to make a picture of the trees and the old Swett Marsh, etc, and it is in our sitting room. It's wonderful!!!

Amy Peters Wood has had a lot of training in different kinds of art, with old and new variations. She has taken a clue from a small boy looking at her work, and given her another idea. She was very happy with things like that, and made use of the ideas often. She has her works in museums, governors' houses, universities, private corporations and many individuals. Her work is remarkable.

Letty Chiew Husson was next. She is looking at other artist's work and learning from them. She started with watercolor first, and added pastels to her media, and now also is working with oil paint on canvas. She's getting better all the time with new artist's works.

Eugene A. Reynolds is giving us a good selection of paintings of different barns and animals, etc., to look at. He is good at telling us about what we are looking at. He loves barns and other different kinds of buildings. He did a good job getting these pictures together, and then wrote about each one. A good praise for them all. Good work, Gene!

Karen Wolfe gave the 5th and 6th grade students samples of the work of Neil Welliver, a start of good artistry. I don't have the names of these children, but they are doing good work. Karen is very good with her children, and gives them art to copy and get into the work the artist gives them.

I like doing this job, but I am stopping at the end of the year 2012. I've been doing this as long as Crystal Cressey held it, and she got tired, too. I am feeling it's time to get another person to take over.

Respectfully Submitted,
Claire Darrow, Gallery Director

SCHOOL COMMITTEE

There were big changes at the Georgetown School last year. We welcomed a new principal, Matt Carlson and a new superintendent, Eileen King. It has been a pleasure working with both of them. They both have expertise working with small schools and island communities. We are excited to be settling into a long-term relationship with AOS 98 and we feel that we can finally put the stress and strain of school consolidation behind us. Compared to the past several years it was a peaceful year from the board's perspective. We spent time building relationships with our new administrative team and instead having to focus on legal issues and consolidation we turned inward to focus more keenly on our school community.

For their first years here, Principal Carlson and Superintendent King focused on building strong relationships with the board, staff and community, which we feel they have achieved with flying colors. Superintendent King successfully negotiated a three-year teacher's contract without rancor or lawyers. Principal Carlson has made a huge effort to get to know the community and he has attended a host of community events. He is both at home in his office or in the classroom with students.

As a board we would like to express our deep thanks to the taxpayers of Georgetown for their continued support of our school.

Respectfully Submitted,
Nina Roth-Wells, Kristin Malin & Colleen Hudson

SCHOOL PRINCIPAL/SUPERINTENDENT

The Georgetown Central School saw some big changes at the beginning of the 2011-2012 fiscal year. Starting July 1st Georgetown officially became part of AOS 98 partnering with the Boothbay-Boothbay Harbor C.S.D. Southport and Edgecomb. The new structure allows Georgetown to maintain local control in overseeing all school operations, while receiving its central office support from AOS 98, which is located in Boothbay Harbor.

Along with becoming familiar with a new central office, the Georgetown school experienced a change in its administration. Eileen King became the Superintendent of Schools, July 1, 2011. Eileen is finishing up her 10th year as the Superintendent of Schools in the Boothbay Region. Matthew Carlson came on board as the new Principal on August 3rd. Other new faces when school started in September included John Travis, our new head custodian and Catherine Wuenschel who took over in the kitchen as the new head cook.

Two days prior to the start of the school year two staff members tendered their resignations. Sarah Armstrong resigned as the title one teacher and Kim Emerson resigned as the gifted and talented teacher. Laurie Martin has taken over in the afternoons in title one and is also providing support for our gifted and talented students.

The green house produced large amounts of produce that was used in our school lunch program. Students enjoyed fresh tomatoes, lettuce and other vegetables in the daily salad bar. In early October community members, staff and students enjoyed a harvest celebration. Students gave tours of the garden and green house and everyone enjoyed the fresh pizza that came out of the brick pizza oven.

The 2011-2012 school year has brought two new initiatives to our school. The staff began a year-long project with well know author and speaker Dr. Ross Green. School staff will learn and be trained in the collaborative problem solving approach created by Dr. Green. The staff will spend 20 hours working with Dr. Green and his staff examining the CBS model. Staff and students also began a Math and Literacy intervention period two times a week to allow for remediation of skills, skill practice and skill extensions.

Throughout the year we have come to know why Georgetown is such a special place. The kids are amazing! They love to learn and are very willing to try new things. Georgetown central school is more like a family then a typical school. The teachers and support staff are extremely dedicated to making sure all students receive a high quality education. They are more than just teachers; they are mentors and friends. Over the course of the year we saw firsthand how giving this community is. Whether it is volunteering or providing support during difficult times, the parents and community members make the Georgetown school staff and students feel valued and important. We feel extremely fortunate to be members of a school community where the students always come first and the community supports our small local school.

Georgetown Volunteer Fire Department, Inc.
Minutes
Annual Report, 2011-2012

13 June, 2012

With Larry Mann continuing to serve as Fire Chief, The Department reported 57 fire calls, 91 ambulance calls and logged 861.5 hours of training for the year.

A dry hydrant was installed at Charles' Pond to improve water access in the Five Islands area of town. Volunteers made several maintenance visits to the beaver dam on Trafton Meadow to optimize water level in the pond for the pumping station there.

The Department signed on with ElectricityME.com for electric service, realizing an approximate 17% savings on electric costs. A Radio Communications savings account has been established in anticipation of the need to replace all base, vehicle and handheld radios when changeover to digital communication is mandated. The Department will continue to augment the account against that inevitable expense.

Independent Auditors' Report

**To the Selectboard
Town of Georgetown
Georgetown, Maine**

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Georgetown, Maine, as of and for the year ended June 30, 2012, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these basic financial statements based on our audit. We did not audit the financial statements of the Georgetown School Department's general fund, fiduciary fund (agency fund - student activity accounts) and other governmental funds (special revenue funds). Those financial statements were audited by other auditors whose report has been furnished to us, and in our opinion, insofar as it relates to the amounts included for the general fund and other governmental funds, is based solely on the report of the other auditors.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, based on our audit and the report of the other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Georgetown, Maine as of June 30, 2012, and the respective changes in financial position in conformity with accounting principles generally accepted in the United States of America.

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on page 3 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Georgetown, Maine's financial statements as a whole. The combining and individual non-major fund financial statements are presented for purposes of additional analysis and are not a required part of the financial statements. The combining and individual non-major fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Management's Discussion and Analysis

As management of the Town of Georgetown, Maine, we offer readers of the Town's financial statements this narrative overview and analysis of the financial activities of the Town for the fiscal year ended June 30, 2012. The Town's financial performance is discussed and analyzed within the context of the accompanying financial statements and disclosures following this section.

Financial Highlights

The Town's assets exceed liabilities by \$4,377,992 as of June 30, 2012, compared to \$3,978,536 as of June 30, 2011.

The Town's governmental funds General Fund Balance on a budgetary basis was \$657,155 as of June 30, 2012, compared to \$428,366 as of June 30, 2011.

Overview of the Financial Statements

The Management's Discussion and Analysis introduces the Town's basic financial statements. The basic financial statements include three components: (1) government-wide financial statements, (2) fund financial statements, and (3) notes to the financial statements. The Town also includes in this report supplemental information to the basic financial statements.

Government-wide Financial Statements

The government-wide financial statements include a Statement of Net Assets and a Statement of Activities. These statements provide information about the activities of the Town as a whole and

present both a long-term and short-term view of the Town's finances. Financial reporting at this level is similar to the accounting used by most private-sector companies.

The Statement of Net Assets includes all assets and liabilities, with the difference reported as net assets. Over time, increases or decreases in the Town's net assets are one indicator of whether its financial health is improving or deteriorating. Evaluation of the overall economic health requires other non-financial factors, such as changes in the Town's property tax base and the condition of the Town's roads, as well as many others.

The Statement of Activities reports the current year change in net assets. This statement includes all of the current year's revenues and expenses regardless of when cash is received or paid.

The Statement of Net Assets and the Statement of Activities are divided into the following types of activities:

- Governmental activities - Most of the Town's basic services are reported here, including general government administration, public works, public safety, health and human services, sanitation, education, and cemeteries. Property taxes, excise taxes, fees, interest income and state and federal grants finance most of these activities.

Currently, the Town does not have any business-type activities.

Fund Financial Statements

For governmental activities, these statements focus on how services were financed in the short term as well as what remains for future spending. Fund financial statements also report the Town's operations in more detail than the government-wide statements by providing information about the Town's most significant funds. The remaining statements provide financial information about activities for which the Town acts solely as a trustee or agent for the benefit of those outside of the government.

Financial Analysis of the Town as a Whole - Government-wide Financial Statements

The following schedule is a summary of net assets for the years ended June 30, 2012 and 2011:

	<u>2012</u>	<u>2011</u>	<u>Change</u>

Change in Net Assets	<u>\$ 399,456</u>	<u>\$ 40,146</u>	<u>\$ 359,310</u>

Financial Analysis of the Town's Funds - Fund Financial Statements

Our analysis of the Town's major funds begins with the fund financial statements on page 6 and provides detailed information about the most significant funds-not the Town as a whole. Some funds are required to be established by State law. However, the Town establishes many other funds to help it control and manage money for particular purposes or to show that it is meeting legal responsibilities for using certain taxes, grants, and other money. The Town reports governmental funds.

Governmental funds - Most of the Town's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available for spending. These funds are reported using an accounting method called modified accrual accounting, which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view of the Town's general government operations and the basic services it provides. Governmental fund information helps you determine whether there are more or fewer financial resources that can be spent in the near future to finance the Town's programs. We describe the relationship, or differences, between governmental activities, reported in the Statement of Net Assets and the Statement of Activities, and governmental funds in reconciliations on pages 7 and 9 of the financial statements.

In an effort to reduce borrowing and eliminate peaks in the mill rate, the Town continues to build reserve funds (assigned fund balances within the general fund) annually to reduce the need for major fund outlays as equipment and infrastructure assets need replacement. All expenditures incurred in the reserve funds are noted in the Report of the Selectmen. A listing of all reserve accounts can be found in Note J to the financial statements on page 23.

Current year revenues in the general fund on a budgetary basis were made up of the following:

As we state almost yearly, revenues have remained relatively flat. We continue to count on property taxes as our main source of funding. There was a mill rate increase from 6.37 to 7.1 which led to the increase in property tax revenue. The state continues to underfund the mandated needs of the school and we received \$33K in education subsidy this year (our high was \$379K in 07-08). Our municipal revenue sharing remained flat as did most other revenues.

Current year expenditures in the general fund on a budgetary basis were made up of the following:

Although expenditures overall were down slightly, there was a shift in the breakdown between divisions. The school was up almost 7% (43.9 last year), and general government was also up by 3% (4.6% last year). Public works was down from 20.8% in 2011 to 7.6% in 2012 as we have completed the road paving project and are now only doing maintenance until the loans are paid off, two of which will be done next year. County was up almost 3%, an increase of \$12K over 2010-11. Debt service and sanitation were both up slightly and the others remained flat.

GENERAL FUND BUDGETARY HIGHLIGHTS

As the pie charts show, our biggest source of revenue is property taxes and our largest expenditures are for education and county tax. We continue to build funds for future projects. We also utilize a portion of undesignated fund balance to reduce the amount needed to be raised in taxes and increased that amount to \$250K this year.

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

At the end of June 30, 2012, the Town had approximately \$5.4 million invested in capital assets. (See table below)

	Governmental Activities	
	2012	2011
Land and improvements	\$ 91,849	\$ 91,849
Buildings and improvements	2,142,296	2,055,316
Infrastructure	2,396,224	2,396,224
Equipment	466,288	415,302
Five Islands wharf	<u>343,512</u>	<u>343,512</u>
TOTALS	<u>\$ 5,440,169</u>	<u>\$ 5,302,203</u>

Assets included here are the School, Transfer Station, Fire Department (Town owned Equipment only), new infrastructure, and the Five Islands Wharf. These items were placed on the books at historical costs (as best could be determined) and are/will be depreciated over their estimated useful lives. A breakdown of all assets listed above is available at the Town Office.

The Town adopted a policy of capturing any capital expenditure in excess of \$10,000. Several items under that amount were capitalized in conjunction with others items (i.e. all costs associated with the "new" transfer station were reviewed regardless of their amount to get a true total cost of the project). These items will be looked at yearly and added to the Capital Asset Schedule as appropriate. Total additions to capital assets of the year ended June 30, 2012 was \$137,966.

The capital improvements this year were a new boiler for the school (\$51K) and work done at the wharf on the love nest, bait building and south dock (\$87K).

Long-Term Debt

In 2009, the Town borrowed \$352,000 from Bath Savings Institution for the purpose of funding road projects. The Town made principal payments of \$70,400 against this note in the current year.

In 2011, the Town borrowed \$511,150 from Northeast Bank for the purpose of funding road projects. The Town made principal payments of \$127,075 against this note in the current year.

In the current year, the Town borrowed \$50,000 from the First N.A. Bank for a new school boiler. The Town made principal payments of \$7,640 against this note in the current year.

The total balance outstanding on Town debt at year end was \$390,900.

This year, as last, the Town intended to borrow the remaining money for the roads project that was completed last year and after discussions with legal counsel we will be holding a special town meeting in July of 2012 to correct language that was left off the original discussion and paperwork in 2008-09.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

The annual budget assures the efficient, effective and economic use of Town resources. Through the budget process, the citizenry, at Town Meeting, sets the direction of the Town, allocating its resources and establishing its priorities.

The Town has numerous committees who are prudent with their use of allocated funds and consider expenditures wisely. We are grateful and appreciative of all of our volunteers.

The budget approved for the upcoming fiscal year (2012-13) was essentially flat for monies to be raised by property tax. Most individual budgets were up but a large reduction in TOPMB projects evened things out.

The state continues to underfund the items it mandates and to reduce its funding to municipalities, and as stated in previous reports, we do not expect to see that trend changing any time in the future.

CONTACTING THE TOWN'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, taxpayers, customers, and creditors with a general overview of the Town's finances and to show the Town's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the Town Office at (207) 371-2820 and ask for the Town Treasurer. Citizens are welcomed to visit with the appropriate staff on any financial matters.
